

LEARN IT!

Jesus journeyed to Galilee, preaching about the kingdom of God. One day as Jesus was out walking by the sea, he saw two brothers fishing. Their names were Simon and Andrew. Jesus asked them to follow him. He said he would make them fishers of people. They immediately put down their nets and followed Jesus. As he continued on, he saw two more brothers, James and John. They were with their father, Zebedee, fixing their nets. Jesus called to them, and they also immediately left their father and the boat to follow Jesus.

Memory Verse:

Then make my joy complete by agreeing with each other. Have the same love. Be one in spirit and purpose.

Philippians 2:2 NIV

God made us to be with other people. We do life together with family, neighbors, and friends. It is God's plan for us to get along and work together.

God has put many different people in our lives. Even though we have differences, we can all be part of his family. We can choose to live God's way and help those around us do the same.

We can try hard to get along with others in our life journey. We can choose not to argue or fight with others in our families. We can stand up for our friends when someone says mean things about them.

Practice Point:

**Let's travel together
and choose to start.
Get along with others
with one purpose and heart.**

(Ideas to do at home this week)

Question 1: Ask your mom or dad this question – Who has helped you learn about God?

Question 2: Discuss with your parents the meaning of Philippians 2:3: Don't do anything only to get ahead. Don't do it because you are proud. Instead, be free of pride. Think of others as better than yourselves. Discuss with your parents what you can do as a friend and as a family together to follow Jesus' lesson.

Question 3: Think of a friend who makes good choices that you want to learn and grow with. List two ways that you can follow God together. Check them off when you do them. (Examples: read the Bible together, come to church together, listen to Christian music together, etc...)

LEARN IT!

The early believers were very dedicated and committed to each other. They closely followed the disciples' teachings about Christ so they could learn more. They did many things together, such as having meetings, eating meals in each others' homes, and praying and praising God. The disciples taught and performed many wonders and miracles. The disciples helped anyone who had a need. God increased their numbers daily as more and more people became believers. (Source: Acts 2:42-47)

Memory Verse:

If you love one another, everyone will know you are my disciples. John 13:35

NlrV

The believers took care of each other. They met daily, shared their belongings, and demonstrated God's love to each other. We need to follow their example of loving one another.

God wants us to be kind and helpful to other people, especially here at church. When we say nice things and show respect toward others that is a great example for the rest of the world.

We can do kind things for others without being asked. We can give compliments and encouragement to people who need it. We can play with or talk to others who don't have many friends so that they can feel like they belong to a group.

Practice Point:

Other believers I will love,
Just as God does from above.
